Got it for our host families for my daughters exchange trip to Japan.0 of 0 people found the following review helpful. Two StarsBy K. WilliamsMediocre0 of 0 people found the following review helpful. Five StarsBy Leegreat

This beautiful and affordable book showcases the cultural and natural history of the Badger State. Darryl Beers travels to every corner of Wisconsin, documenting historic lighthouses, quirky folk-art displays, verdant dairy farms, and charming communities. As you turn the pages of this unique tribute to Wisconsin, you can tour a nineteenth-century church; watch barges move up the mighty Mississippi River; visit an Eagle River ice palace; and take in a fiery sunset on Lake Michigan.

From the Inside FlapThis beautiful and affordable book showcases the cultural and natural history of the Badger State. Darryl Beers travels to every corner of Wisconsin, documenting historic lighthouses, quirky folk-art displays, verdant dairy farms, and charming communities. As you turn the pages of this unique tribute to Wisconsin, you can tour a nineteenth-century church; watch barges move up the mighty Mississippi River; visit an Eagle River ice palace; and take in a fiery sunset on Lake Michigan.About the AuthorDarryl R. Beers' photographs have received several regional, national, and international awards and have been published in numerous magazines, including National Geographic

Traveler, Country, Ducks Unlimited, and Sierra Club. His images have appeared in many books and calendars.
