National Geographic Maps : Wisconsin Recreation Atlas (National Geographic Recreation Atlas) before purchasing it in order to gage whether or not it would be worth my time, and all praised Wisconsin Recreation Atlas (National Geographic Recreation Atlas):

1 of 1 people found the following review helpful. Useful for checking out "the old or back roads"By DebGreat to take along on our camping or road trip adventures. Plenty of useful information. We try to avoid the interstates or heavily traveled main highways, as we love to seek out old architecture, signage, anything odd, unusual or just plain fun. Love those old backroads!0 of 0 people found the following review helpful. Very large and detailed maps.By CustomerVery large and detailed maps.1 of 1 people found the following review helpful. National Geographic's Wisconsin Recreation Atlas is the ideal resource for any recreation activity from hunting and fishing to camping, golfing, hiking, and more. This durable, easy-to-use atlas includes up-to-date topographic maps, a comprehensive road network, informative recreation guides, and a detailed index. All road types are clearly identified, making each atlas a useful planning tool for motorcycle and off-road adventures. Maps include bold boundaries for parks and federal lands, and clearly labeled lakes, rivers, and streams. On each map page you will find a convenient map legend, easy-to-read page numbers, a latitude and longitude grid for use with GPS, and fact-checked points-of-interest. Also included are cross-referenced charts of fishing areas with species information, game management units, campgrounds and attractions charts, state park maps and facilities, hiking, golfing, skiing and paddling destinations, climate information, and more. Detailed topographic maps with shaded relief for the entire state.
