Needed to send picture books of America with my daughter when she goes to Germany. These are perfect. 1 of 1 people found the following review helpful. Great photography By AJSPictures were nice and attractive-well taken. Great for anybody who wants to view pictures of scenery of what this country has to offer

This all-American CubeBook is a patriotic pictorial paeon to the homeland and a colorful souvenir for visitors! The nation's vastness and variety shine forth in magnificent photos that go from sea to shining sea, capturing majestic landscapes, cities and small towns, mountains and forests, coastlines and deserts, and fruited plains. In these pages we see the America that has inspired centuries of exploration and fascinated people throughout the world.
