From Brand: Intellect Ltd : World Film Locations: So Paulo before purchasing it in order to gauge whether or not it would be worth my time, and all praised World Film Locations: So Paulo:

So Paulo is the largest city in South America and the powerhouse of Brazil's economy. A multi-racial metropolis with a diverse population of Asian, Arabic, and European immigrants as well as migrants from other parts of Brazil, it is a global city with international reach. Films set in So Paulo often replace the postcard images of beautiful tropical

beaches and laidback lifestyles with working environments and the search for better opportunities. Bikinis and flip flops give way to urban subcultures, sport, entertainment, and artistic movements. The ability to transcend national boundaries, and its resistance to stereotypical images of an exotic Brazil, make So Paulo a fascinating location in which to explore Brazil's changing economic and cultural landscapes.
