before purchasing it in order to gage whether or not it would be worth my time, and all praised World Modern[Laminated] (National Geographic Reference Map):

National Geographic's World Modern wall map features clearly labeled countries, major cities and oceans for easy reference combined with a clean, contemporary design and color palette. This unique map is a convenient standard poster size (24 x 36), perfect for home or office, and is printed on premium quality paper. All proceeds from the purchase of a National Geographic map help support the Society's vital exploration, conservation, scientific research, and education programs. Map Scale = 1:36,000,000 Sheet Size = 36" x 24"

About the Author Founded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
