My only complaint is that Antarctica is covered up by the flag section at the bottom of the map.3 of 3 people found the following review helpful. Very Good Wall MapBy PortCityGalVery good quality, attractive, easy to read, and reasonably priced. I was frustrated trying to follow the travels of my Marine son, to strange or out-of-the-way places I couldn't quite locate. This map was a perfect way to familiarize myself with some of the lesser-known parts of the world!2 of 2 people found the following review helpful. Every home should have oneBy dandydavegreat wall map. nice size to have on the wall. We use it to locate and track the major events of the world. Good to have on hand
