David Quammen : Yellowstone: A Journey Through America's Wild Heart before purchasing it in order to gage whether or not it would be worth my time, and all praised Yellowstone: A Journey Through America's Wild Heart:

3 of 3 people found the following review helpful. A gorgeous presentation of Yellowstone Park By PCNilesAn absolutely BEAUTIFUL book. Good writing on the history and features of Yellowstone Park and the photographs are stunning. The quality of the the book is first class. This is going to be a Christmas present for my husband, so I haven't totally read through it yet, but just from what I've seen so far, this is just a beautiful coffee-table-worthy book. Very happy with it. 2 of 2 people found the following review helpful. Yellowstone: America's Wild Heart By HodgeLWow! A tour de force on Yellowstone and it's surrounding ecosystem. The quality one expects from National Geographic - extensive research, thoughtful and balanced articles plus stunning photographs. A fitting tribute to Yellowstone, both a treasure and a temple. 3 of 3 people found the following review helpful. This book is beautiful. We just returned from that area of the ... By Customer This book is beautiful. We just returned from that area of the country and love reliving the memories through this book.

Best-selling author David Quammen takes readers on a breathtaking journey through Americas most inspiring and imperiled ecosystem Yellowstone National Park in this monumental book on Americas first national park. Yellowstones storied past, rich ecosystem, and dynamic landscape are brilliantly portrayed in a captivating mosaic of photographs and eloquently written text that blend history, science, and research from the field. As much a visual ode to nature as an intimate tour of one of the worlds most celebrated conservation areas, this gorgeous book illuminates the parks treasures grand and small from the iconic Old Faithful to the rare gray wolf; from misty mountain tops to iridescent springs; and from sweeping valleys to flourishing wild blooms. In four illuminating sections that combine photos, sidebars, and graphics with elegantly crafted text, this book brings readers deeper into the life of the park than ever before, both commemorating its beauty and highlighting its challenges. This book is an essential addition to the

National Parks 100th anniversary celebration and will remind readers why conservation is worth every effort.
