Astounding geology, unusual wildlife and spectacular scenery are but a few of the amazing attractions of this special area that is home to America's first national park. Yellowstone Wildlife is the ideal pocket-sized reference guide for animal lovers of all ages. This beautifully illustrated guide highlights over 140 familiar and unique species of mammals, birds, reptiles, amphibians, fish and butterflies. It also features a map that points out the area's prime wildlife viewing hotspots. Laminated for durability, this portable guide is a great source of quick and accurate information for novices and experts alike. Made in the USA.
