Tammy Lau, Linda Sitterding : Yosemite National Park (CA) (Postcard History Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Yosemite National Park (CA) (Postcard History Series):

0 of 0 people found the following review helpful. Yosemite RPPCBy Robert LanghamGreat card quick.

A mere utterance of the word "Yosemite" conjures up images of Half Dome, El Capitan, giant sequoias, and the unmatched beauty this northern California park has to offer. However, the area known today as Yosemite has not

always been a place of tranquility. Once the home of Ahwahnee tribe, these Native Americans were forced to surrender their home to armed miners rushing for gold and a California government clutching the philosophy of Manifest Destiny.

About the AuthorThe survival of Yosemite is a testament to nature's strength and beauty. The park has become a legend, and it is a legend captured in the stereoscopes and postcards throughout Yosemite National Park. Tammy Lau and Linda Sitterding have collected over 200 images in a fantastic effort to share Yosemite's beauty as well as reveal the valley's unmatched mystique.
