Weekly Reader Staff : Young Students Learning Library: World Atlas before purchasing it in order to gage whether or not it would be worth my time, and all praised Young Students Learning Library: World Atlas:

Volume One: Aardvark-American History. Growing up in a rapidly changing world is a challenge for every child. Young Students Learning Library has been written especially for children to enable them to keep pace with the world in which they live. Children have inquisitive minds. Young Students Learning Library answers their questions and, at the same time, builds learning skills that last a lifetime. Learning Library is ideal for use at school or at home. Many of the subjects contained in Learning Library support actual lessons children learn in school. Plus, Learning Library is filled with topics that naturally fascinate young people - airplanes, dinosaurs, the human body. Children will find Young Students Learning Library an invaluable reference tool as well as a stimulating and enjoyable reading adventure.
