**Ashley Deppeler : Your Handbook Guide to Backpacking Abroad** before purchasing it in order to gage whether or not it would be worth my time, and all praised Your Handbook Guide to Backpacking Abroad:

0 of 0 people found the following review helpful. Well worth the read.By This is what I think:What a fun and interesting little book. Read it in about 3 hours. Chocked full of practical suggestions and cultural considerations this nontraveler had no previous knowledge of. I found it to be helpful and educational. Would read it again if I were ever to have the opportunity to travel. Thanks Ashley.1 of 1 people found the following review helpful. I could of avoided

the whole situation if I'd read something like this 8 years ago. By Burley More people should read this before going on their adventures. I wish I would have. I fell for the Tuk-Tuk scam. I didn't buy anything from the shops I was brought to and one clerk became very angry. I could have avoided the whole situation if I'd read something like this 8 years ago. I'd be the perfect sucker for the "The Flirting Woman Scam" too, but not now. I also enjoyed the chapter on haggling. During my travels I avoided it out of intimidation. But now with a clear understanding of how it should be done, I'd like to return to Thailand and try it again. A helpful read!

0 of 0 people found the following review helpful. Getting ready to travel abroad? Go for this book. By Gus Hicks I am crazy about travelling. But, I always miss something important because of improper planning. I found this book very useful for me to prepare well for my next travelling abroad. There are many rules that we must follow and traps that we need to be careful about during travelling. This book covers every necessary travelling aspect from arrival to departure such as accommodation and transport. Instructions mentioned in the book offer a safe and comfortable journey. This book is very useful for those who are planning travel abroad for the first time.

Part two of the immensely popular 'Your Handbook Guide' travel series 'Your Handbook Guide to Backpacking Abroad' is perfect for first time travellers who are travelling abroad. Packed full of information and providing you with a wealth of information from the moment you arrive at your destination this book answers questions such as: \* What are my four different options for accommodation and how can I maximise my accommodation budget? \* What are the most common scams I am likely to encounter, how can I avoid them and what should I do if I get caught up in them? \* What is acceptable tipping and donation etiquette when traveling abroad? \* How can I best stay in touch with family and friends and create a lasting memory of my trip? \* How do I budget for a country and ensure that I can travel as cheaply as possible? \* What should I do if being solicited for a bribe by the police or immigration? Written by a long term traveller with over forty countries worth of travel experience 'Your Handbook Guide to Backpacking Abroad' takes into account every style of travel and offers practical advice for first time travellers who are travelling abroad.

About the Author Ashley is a twenty-something vagabond who spends a large portion of his time backpacking on a shoestring budget. Writing specifically for first time travellers and those hesitant about travelling abroad his books cover a wide variety of travel related topics to assist you during both the planning and travelling stages of your trip. Having travelled to over forty countries, two principalities and one self declared republic Ashley's debut e-book 'Your Handbook Guide to Planning a Backpacking Trip Abroad' was self published in late 2014. This was followed in early 2015 with the follow up e-book 'Your Handbook Guide to Backpacking Abroad' and the accompanying title 'Your Handbook Guide to Travel Scams and How to Avoid Them', all of which are available exclusively on Kindle.
