**Ashley Deppeler : Your Handbook Guide to Planning a Backpacking Trip Abroad** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Your Handbook Guide to Planning a Backpacking Trip Abroad:

1 of 1 people found the following review helpful. This book takes the average guy like me; who doesn't know anything. By Steve Martin I've always wanted to go backpacking but, other than fear, I really didn't know how to go about it. This book takes the average guy like me; who doesn't know anything, and makes them into backpacking

experts. You'll need this book for your next trip! 1 of 1 people found the following review helpful. Very Comprehensive Guide By Jim McCraigh Very detailed and thorough book! I was amazed to see all the things I'd need to think about weeks and even months before leaving on a backpacking trip! A great guide to what to do as well as not to do. The author covers everything from budgets to pillows... so even seasoned travelers will find it to be a great pre-trip checklist. Well done Ashley! 1 of 1 people found the following review helpful. I really enjoyed this book because I like backpacking but I always ... By Zoltan Csipkes I really enjoyed this book because I like backpacking but I always procrastinate with planning and packing. This book gives you a very detailed description what you have to do before your travel, even 6 months before (insurances, vaccinations etc.). It's very easy and fun to read, absolutely recommended for everyone who're planning to travel!

While travelling abroad is an enjoyable and wonderful experience its important to be aware of the scams, tricks and tactics you will encounter from who are trying to fleece you of your cash and valuables along the way. Packed full of information and written by a traveller with over 40 countries worth of travel experience Your Handbook Guide to Travel Scams and How to Avoid Them is book three in the immensely popular 'Your Handbook Guide' travel series and provides an overview of common scams, locations you're likely to encounter them, how to detect and avoid being scammed and what to do if you get caught up in them. With specific chapters dedicated to different kinds of scams including accommodation, technology, airport, stores and restaurants, confidence and more this book is essential reading if you're traveling abroad and will potentially saving you hundreds if someone attempts to scam you. Dont risk it, travel aware.

About the Author Ashley is a twenty-something vagabond who spends a large portion of his time backpacking on a shoestring budget. Writing specifically for first time travellers and those hesitant about travelling abroad his books covers a wide variety of travel related topics to assist you during both the planning and travelling stages of your trip. Having travelled to over forty countries, two principalities and one self declared republic Ashley's debut e-book 'Your Handbook Guide to Planning a Backpacking Trip Abroad' was self published in late 2014. This was followed in early 2015 with the follow up e-book 'Your Handbook Guide to Backpacking Abroad' and the accompanying title 'Your Handbook Guide to Travel Scams and How to Avoid Them', all of which are available exclusively on Kindle.
